CANAL TOUR SNOWSHOE

A Hike for All Levels...

The tour kicks off at the beautifully restored Loch 31 House. Spend some time learning about the historic canal as well as its use in our local area and the neighboring towns. The hike will be approximately 45 minutes to an hour long, and consists of mainly flat terrain. Immediately following the conclusion of our tour, warm up by the bonfire in the canal with snacks provided by Calkins Creamery and the Alpine Wurst and Meat House. Complimentary refreshments of beer and wine will be provided by the Irving Cliff Brewery and Antler Ridge Winery. NEWE will donate \$10 from each registration fee collected to the Wayne County Historical Society.
